Optima II

**the distinctive
instrument case
combining
versatility and stand-out style
at low cost.**

another **Optima** enclosure

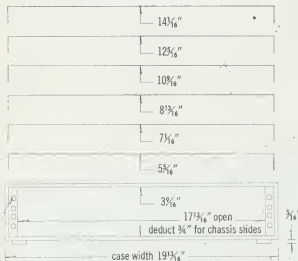

made by SCIENTIFIC-ATLANTA, INC. Box 13654, Atlanta, Georgia 30324

OPTIMA II cases offer, in a popular-priced line of enclosures, the outstanding design previously found only in the prestige OPTIMA line.

Features include:

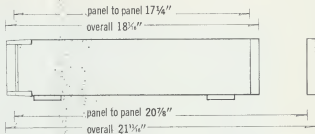

- Die-cast aluminum front bezel
- Choice of solid or perforated steel body
- Choice of any single or two-tone color combination from the six standard OPTIMA colors
- Finished entirely in stain- and damage-resistant vinyl organosol, textured
- Full 8" long side carrying handles
- Compatible with all OPTIMA accessories including matching chassis handles, front and rear panels, and rear doors
- Design-matched with OPTIMA cases, consoles, and racks to provide style integration from your smallest instrument to your largest system
- Shipped completely assembled

panel opening height

Panel mounting holes for 10Z Tinnerman nuts and front panel screws.

All cases take standard 19" panels.
(Actual panel opening 19-1/16")
Height of case exclusive of feet
is nominal panel height plus 3/4".
Any height and depth combination can be ordered.
Prices for unlisted sizes on request.
Blueprint of case on request.

BASIC CASE:

Assembled, painted, without side handles.*

For cases ordered in connection with Optima Consoles use quantity price, or 5-19 price if quantity is 4 cases or less. Quantity price applies to any combination of case models (same color) or one order
